School Closure Day

Don't forget we have a training day for staff on Monday 8th June and the school is closed to pupils.

Volunteer Thank You

This week is Volunteers' Week and we would like to say an enormous thank you to our huge number of volunteers who support activities and events throughout the school year. Without you we would not be able to provide the enriching experiences that form a core part of our curriculum and school life. You are so appreciated. Diolch o'r galon.

Breakfast Club Registration

Thank you to all families who submitted a request for Breakfast Club next year. Mrs Kift has worked through the logistics and we can confirm ALL requests have been accepted. You will receive a new paper copy of a registration form today. Please can this be completed and returned as soon as possible. Please note the club DOES open from 7.45am.

Sports Day

We have planned our annual Sports Day on Thursday 11th June. Pupils should come to school wearing PE kit and a coloured t-shirt to represent their house. If you do not have a red/ blue or yellow t-shirt, your child can wear a white t-shirt. Lower School races will begin at 10.30am and we would love to welcome our new Reception starters to come and join us for a pre-schoolers race! Upper School races begin at 1.30pm. If you are staying on the school site all day, we will ask for you to remain behind a cordon so we can keep our learners safe during lunchtime. Please bring camping chairs or a picnic blanket for your comfort and set up on the designated side of the track. We kindly ask you to remain on this side and not to cross and see pupils. During the day, PTFA will be providing refreshments. At around 3pm, Lower School learners will join us all for the presentation of our trophy.

Following Sports Day, our PTFA Colour Run will take place. This is a fun, family event and we look forward to seeing you and our learners enjoying this experience! If you have not yet registered for the event, please click on the link: [Colour Run](#)

If the weather forecast looks like rain, I will make a judgement call by the end of Tuesday 9th June and a new date will be arranged.

Compulsory Safeguarding Training for Volunteers

I will be holding the Group A+ Safeguarding Training on Friday 12th June at 2.30pm. This training is COMPULSORY for all volunteers. The session will last around 40 minutes. If

you are an existing volunteer, or wish to become a volunteer, this must be completed. This includes parents/ carers who help at PTFA events.

For any existing volunteers at school who do not complete this training this term, you will not be able to continue as a volunteer in the new academic year.

I will continue to repeat these sessions at least once per term.

Eco Refills

Our Eco Committee are keen to try to develop our eco-refill project, so more families are aware of what it is and how it works. Please could you complete this 60 second survey to help them work together to make a plan. [Eco Refill Survey](#)

Outstanding Trip Payments

Please can we ask for any outstanding payments for the Y6 trip to Gilwern and the Y2 Bristol Zoo trip to be paid as soon as possible.

Staff Changes September 2026

There will be a change to our staffing in September. Mrs Hughes has secured a place on the Welsh Sabbatical course in Cardiff and will be out of school for the Autumn and Spring Term. We are delighted for her as this will support our continued development of Welsh as we work towards the Welsh Government target of 10% bilingualism across the school day.
